23rd April 2019

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015

Construction of single storey rear extension; extension of first floor roof space; internal re-ordering; replacement of garage roof; replacement of pitched roof covering; new porch and side canopy; elevational alterations and associated works
12 Westfield Avenue East Preston

Thank you for your internet comments made on 18th April 2019 which has been recorded as **'an objection'** with the comments as follows:

The Planning & Licensing Committee of this council considered this Application at its meeting on Monday, 8th April.

The committee agreed to object to this Application on the following grounds. The proposed dormer on the western elevation is very high on the roofline and would maybe look better lower down. It is understood the applicant is trying to improve the look of the existing dormer on the eastern elevation.

The choice of blue/black fibre cement slates, as per drawing 02.03 is not in keeping with other properties in Westfield Avenue. Materials should harmonise with the existing property and neighbouring properties, contrary to policy DDM1 of the Arun Local Plan, policy 1 of the East Preston Neighbourhood plan and the National Planning Policy Framework.

For these reasons, this council asks Arun District Council to consider refusing Planning Permission for this proposal.

Simon Cross - Clerk to the Council

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a

small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

A handwritten signature in black ink, appearing to be 'NC' followed by a stylized flourish and a period.

Neil Crowther
Group Head of Planning
