LEGISLATIVE BACKGROUND

Section 192(2) of the Town and Country Planning Act 1990 states:-

If, on an application under this section, the local planning authority are provided with information satisfying them that the use or operations described in the application would be lawful if instituted or begun at the time of the application, they shall issue a certificate to that effect; and in any other case they shall refuse the application.

In this instance the proposed works will be assessed against the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended).

- Class A, which pertains to the enlargement, improvement, or other alterations to a dwellinghouse;

- Class B, which pertains to the enlargement of a dwellinghouse consisting of an addition or alteration to its roof.

Provided the works satisfy the relevant criteria, and that no restrictive conditions to development have been imposed on the site, the proposed works will constitute Permitted Development and would not require planning permission. If the works fail to accord with the criteria then planning permission will be required for them to take place.

CONCLUSION

CLASS A

"A.1 Development is not permitted by Class A if:

(a) permission to use the dwellinghouse as a dwellinghouse has been granted only by virtue of Class M,N,P or Q of Part 3 of this schedule (changes of use):

(b) as a result of the works, the total area of ground covered by buildings within the curtilage of the dwellinghouse (other than the original dwellinghouse) would exceed 50% of the total area of the curtilage (excluding the ground area of the original dwellinghouse):

(c) the height of the part of the dwellinghouse enlarged, improved or altered would exceed the height of the highest part of the roof of the existing dwellinghouse;

(d) the height of the eaves of the part of the dwellinghouse enlarged, improved or altered would exceed the height of the eaves of the existing dwellinghouse;

(e) the enlarged part of the dwellinghouse would extend beyond a wall which
(i) fronts a highway, and
(ii) forms either the principle elevation or a side elevation of the original dwellinghouse;

(f) subject to paragraph (g), the enlarged part of the dwellinghouse would have a single storey and
(i) extend beyond the rear wall of the original dwellinghouse by more than 4 metres in the case of a detached dwellinghouse, or 3 metres in the case of any other dwellinghouse, or
(ii) exceed 4 metres in height;

(g) for a dwellinghouse not on article 2(3) land nor on a site of special scientific interest, the enlarged part of the dwellinghouse would have a single storey and
(i) extend beyond the rear wall of the dwellinghouse by more than 8 metres in the case of a detached dwellinghouse, or 6 metres in the case of any other dwellinghouse, or
(ii) exceed 4 metres in height;

(h) the enlarged part of the dwellinghouse would have more than a single storey and
(i) extend beyond the rear wall of the original dwellinghouse by more than 3 metres, or
(ii) be within 7 metres of any boundary of the curtilage of the dwellinghouse opposite the rear wall of the dwellinghouse;

(i) the enlarged part of the dwellinghouse would be within 2 metres of the boundary of the curtilage of the dwellinghouse, and the height of the eaves of the enlarged part would exceed 3 metres.

(j) the enlarged part of the dwellinghouse would extend beyond a wall forming a side elevation of the original dwellinghouse, and would

- (i) exceed 4 metres in height;
- (ii) have more than one storey, or
- (iii) have a width greater than half the width of the original dwellinghouse; or

(k) it would consist of or include

- (i) the construction or provision of a verandah, balcony or raised platform,
- (ii) the installation, alteration or replacement of a microwave antenna,
- (iii) the installation, alteration or replacement of a chimney, flue or soil and vent pipe, or
- iv) an alteration to any part of the roof of the dwellinghouse

A.2 In the case of a dwellinghouse on article 2(3) land, development is not permitted by Class A if

- (a) it would consist of or include the cladding of any part of the exterior of the dwellinghouse with stone, artificial stone, pebble dash, render, timber, plastic or tiles;
- (b) the enlarged part of the dwellinghouse would extend beyond a wall forming a side elevation of the original dwellinghouse; or
- (c) the enlarged part of the dwellinghouse would have more than one storey and extend beyond the rear wall of the original dwellinghouse.

A.3 Development is permitted by Class A subject to the following conditions

- (a) the materials used in any exterior work (other than the materials used in the construction of a conservatory) shall be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse;
- (b) any upper floor window located in a wall or roof slope forming a side elevation of the dwellinghouse must be
 - (i) obscure glazed, and
 - (ii) non-opening unless the parts of the window which can be opened are more than 1.7M above the floor of the room in which the window is installed; and
- (c) where the enlarged part of the dwellinghouse has more than one storey, the roof pitch of the enlarged part shall, so far as practicable, be the same as the roof pitch of the original dwellinghouse."

CLASS B

B.1 Development not permitted

Development is not permitted by Class B if:

(a) permission to use the dwellinghouse as a dwellinghouse has been granted only by virtue of Class M, N, P, PA or Q of Part 3 of this Schedule (changes of use);

(b) any part of the dwellinghouse would, as a result of the works, exceed the height of the highest part of the existing roof;

(c) any part of the dwellinghouse would, as a result of the works, extend beyond the plane of any existing roof slope which forms the principal elevation of the dwellinghouse and fronts a highway;

(d) the cubic content of the resulting roof space would exceed the cubic content of the original roof space by more than

- (i) 40 cubic metres in the case of a terrace house, or
- (ii) 50 cubic metres in any other case;

- (e) it would consist of or include
 - (i) the construction or provision of a verandah, balcony or raised platform, or
 - (ii) the installation, alteration or replacement of a chimney, flue or soil and vent pipe; or
- (f) the dwellinghouse is on article 2(3) land.

Conditions

B.2 Development is permitted by Class B subject to the following conditions-

- (a) the materials used in any exterior work must be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse;
- (b) the enlargement must be constructed so that-
 - (i) other than in the case of a hip-to-gable enlargement or an enlargement which joins the original roof to the roof of a rear or side extension-
 - (aa) the eaves of the original roof are maintained or reinstated; and
 - (bb) the edge of the enlargement closest to the eaves of the original roof is, so far as practicable, not less than 0.2 metres from the eaves, measured along the roof slope from the outside edge of the eaves; and
 - (ii) other than in the case of an enlargement which joins the original roof to the roof of a rear or side extension, no part of the enlargement extends beyond the outside face of any external wall of the original dwellinghouse; and
- (c) any window inserted on a wall or roof slope forming a side elevation of the dwellinghouse must be-
 - (i) obscure-glazed, and
 - (ii) non-opening unless the parts of the window which can be opened are more than 1.7 metres above the floor of the room in which the window is installed.

Interpretation of Class B

B.3 For the purposes of Class B, "resulting roof space" means the roof space as enlarged, taking into account any enlargement to the original roof space, whether permitted by this Class or not.

B.4 For the purposes of paragraph B.2(b)(ii), roof tiles, guttering, fascias, barge boards and other minor roof details overhanging the external wall of the original dwellinghouse are not to be considered part of the enlargement.

C. Any other alteration to the roof of a dwellinghouse.

SUMMARY

The Millstone, Sea Lane Close, is a detached dwelling and is not a Listed Building, or within a Conservation Area. There are no known Permitted Development restrictions at the site.

The dormer complies with the relevant sections of Schedule 2, Part 1, Class B of the GPDO, and is permitted development and does not require the submission of an application for planning permission.

The proposed insertion of the rear doors are not considered not to have a material impact on the external appearance of the dwelling, and is acceptable in accordance with Section 55 (2)(a)(ii) of the Town & Country Planning Act. Furthermore, they are also considered to be in accordance with Schedule 2, Part 1, Class A of the GPDO.

RECOMMENDATION

PP NOT REQUIRED

The Arun District Council hereby certify that on 03/03/2020 the development described in the First Schedule to this certificate in respect of the land specified in the Second Schedule to this certificate and edged in black on the plan attached to this certificate, would have been lawful within the meaning of section 192 of the Town & Country Planning Act 1990 due to the fact that the proposed dormer complies with the relevant sections of Schedule 2, Part 1, Class B of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended), and the rear doors are not considered to constitute development in line with Section 55 (2)(a)(ii) of the Town & Country Planning Act.

FIRST SCHEDULE

The construction of a rear box dormer, and rear doors at ground floor level. This is shown on the following plans:

- Proposed Floor Plans and Elevations - 1437/P02 - Rev. B - 20.02.20
- Proposed Second Floor Plan - 1437/P03 - Rev. A - 26.02.20

SECOND SCHEDULE

The Millstone, Sea Lane Close, East Preston, West Sussex, BN16 1NQ.

EXTENT OF USE

The construction of a rear box dormer, and rear doors at ground floor level.
