Dear Sirs

Re: EP/2/21 HH registered 28/1/2021
27a Sea Lane, East Preston

We wish to register our objection
and disgust against the proposed
balcony to the rear of the
property at 27a Sea Lane, as we
will be overlooked a lot more.

They have already removed the
conifer hedge behind the rear fence
which has taken the privacy we had.

We cannot understand the reason
for a balcony at the rear
which will overlook all the
neighbouring gardens. The only
reason will be to nose at
us.

We think it is appalling to
consider putting a balcony at
the rear to look over at
neighbours.

Hoping our objection will be
considered.

Yours faithfully
