Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: EP/2/21/HH
Site Address: 27A Sea Lane East Preston BN16 1NH
Description of works: Erection of front extension to create first floor balcony, erection of rear balcony, demolition of existing conservatory with changes to external materials and wall finishes.

Thank you for your internet representation made on 24th February 2021 which has been recorded as an objection with the comments as follows:

OWPC34026

This application is detrimental to the properties in the immediate vicinity and is not in keeping with the other buildings in the road.

The proposal for balconies is startling and outrageous. In particular a rear balcony will overlook the properties to the rear and sides of 27A infringing on the right to privacy. A large front balcony is not in keeping with other properties in Sea Lane.

Changes to the roof, rendering, cladding are out of character with the surroundings.

Your views as made above will be considered before the application is determined.

Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
Group Head of Planning
