Attn Anita Gardiner

Thank you for your help when I telephoned on Friday regarding our application for a non material amendment to the above approval.

I have completed the forms and printed three copies which I will send to you by post, together with copies of south elevation and floor plan as requested.

In the meantime, I am sending you the application on line, together with copies of the plans for your perusal. Please advise me of the fee due and I will send this to you by BACS so that the application can be reviewed and a decision given.

Again, many thanks for your help.

Regards
Heather Barnes
