Dear Ms Moore

I'm sorry I sent my drawings in an unacceptable format. Hopefully this time they will come through as a pdf. I have annotated the drawings to show more clearly the window which we wish to make larger than a state in the original planning permission.

Any problems with this, please do contact me again.

Many thanks

Heather Barnes

Dear Ms Barnes

Thank you for the attached plan. Unfortunately we are unable to accept JPEG files, please send as a PDF. Please also clearly identify the window you are applying to change.

Kind Regards

Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021.

During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- Research planning and building control history
- View any planning applications, plans, agreements, tree preservation orders or competent persons data
- Submit building control applications
- Submit planning application comments
- Report any planning compliance issues

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.

Dear Ms Moore

Thank you for your letter e mailed to me. I have amended the drawings and am attaching them to this e mail. If they are inadequate, please let me know and I'll do whatever amendments you require. Do you need me to resubmit the application in full or are amended drawings sufficient.

Many thanks.

Regards

Heather Barnes
