Dear Sir/Madam,

Section 96A of the Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2010 (as amended) - Article 9

Applicatiion for a Non-Material Amendment following a grant of planning permission EP/51/12/ for the re-location of the proposed ground floor trade showroom and trade counter including associated external and internal alterations.
East Preston Depot, Station Road, East Preston,

I refer to your recent application for a Non Material Minor Amendment which I received on 22-03-2013. From the information submitted I am able to take the alterations as a Non Material Minor Amendment to EP/51/12 namely provision of 2 windows at ground floor in front north elevation and provision of a door and showroom window in west elevation, swapping the parking and external materials storage to the western part of the site, retention of covered parking area to east to form covered material store and internal relocation of the trade showroom and counter.

Please note that drawing nos 1313/02, 1313/05, 1303/03 and 1313/04 have therefore become the approved plans for planning application EP/51/12.

I trust this information is of assistance.

I trust this information is of assistance to you.

Yours faithfully
