

Side Elevation - East

Side Elevation - West

- PLANNING REVISIONS**
1. Rear Elevation (south) at first floor to be Marley Eternit cladding, rather than half render half cladding as previously shown.
 2. Marley Eternit cladding to be continued round side elevation (east) at the same level as rear elevation.
 3. Front Elevation (north) left hand side to be clad with Marley Eternit cladding rather than rendered.
 4. Windows to Front Elevation (north) left hand side to be altered as indicated.
 4. Ground Floor V/C window to be square instead of square casement as previously shown
 5. Round window to Front Elevation (north) at second floor to be square.

PROPOSED ELEVATIONS 1:50

Rear Elevation - South (sea)

Front Elevation - North (road)
