Details of the pre-application advice received

The proposal submitted in PAA/3/22 concluded that the proposal will accord to D DM1 and D DM4 in terms of design and visual amenity and policies 1 and 2 of the East Preston Neighbourhood Plan

The side extension contained in the pre application advice has been withdrawn

With regard to residential amenity the south facing bedroom window is likely to give rise to direct overlooking to the south and would be refused, however the proposed window seems to accord with policy D DM4 being in line with the existing footprint of West House, which is 6.5m from the southern boundary. The Dolphins front elevation being situated 16m beyond this boundary will be a total of 22.5m.

The design guide suggests a minimum of 21m back to back, West House backs onto the front of The Dolphins so I would submit this accords with D DM4

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

☒ No

* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.
