Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: EP/37/20/HH
Site Address: 56 Angmering Lane East Preston Littlehampton BN16 2TA
Description of works: Single storey side/rear extension, part two storey rear extension rear extension, raising of roof height to create a second floor and front double garage.

Thank you for your internet representation made on 30th April 2020 which has been recorded as an objection with the comments as follows:

OWPC26654

The Willowhayne Estate is one of the prestigious private estates along this stretch of the coast. This proposed development is completely out of character with any other property on the Estate. The proposed development would look like a small block of flats. There are no other properties on the Estate that have flat roofs and previous applications for flat roof developments have been refused. Overlooking of adjacent properties would be a serious issue with the second floor addition aggravated by the large expanse of glass. The garage in the front garden is in clear violation of the covenants on the property.

Your views as made above will be considered before the application is determined.
