Dear Mr. Denton,

The WRA would like to clarify comments made by Mr. Steet on his supporting letter regarding our meeting with them in November. The WRA made it clear we would not accept this planning application due to the added second storey which we said was unacceptable and the large windows, as well as raising the roof height. All of which is explained in the WRA objection letter. The garage which is proposed at the front of the property was not part of the plans at the meeting.

Yours sincerely Mrs Robinson
