Please can you confirm these meet your requirements as soon as possible.

Kind regards

Dear M

The CIL plans 6 and 7 don't need to be completed. Please review and amend accordingly. In regards to the block plan, is it possible for you to provide a site plan scaled 1:500 and see if that fits to the page?

Kind Regards

Ms Malik

Ms Malik

I have printed the previously attached drawing at 100% on A3 paper - and scaled all the dimensions at 1:200, the only two dimensions that do not scale are the 48580 and 45240 to the southern boundary. This is because the southern boundary is 45+ metres from the extension and therefore does not fit on the page at 1:200. Please can you advise if there is something specific that you require me to do.

Revised Form 1 attached.

Kind regards

Angus Eitel

Dear Mr Eitel,

Thank you for providing the additional information. Unfortunately, the dimensions on the block plan do not measure to scale. Along with this, the CIL form appears to be completed incorrectly, please review and amend accordingly.

Kind Regards
Ms Malik
