Subject: RE: EP/3/20/PL - Village Green Sea Rd - NEW LAMPOST - HIGHWAYS

Hi Amy,

Having checked our records we don't appear to have been consulted upon this application.

However, having a very quick check of it the lamp post appears to be for the village green and is located off the highway. It is not considered to have a negative highway impact and therefore WSCC as Highway Authority have no objections to the granting of planning permission.

With regards the timing of street lights in this area they will probably change with the seasons. My colleague Chris Blight will be able to advise as to the times when the streets

lights are on in and around Sea Road, East Preston. Chris just so you are aware the proposals are for a cast iron street light within the park not on the highway and its location is shown on the attached plan.

Cheers

Steven Shaw BA (Hons) MSc MCIHT

Sorry just to add, EH have suggested a planning condition for a timer control system to limit hours of street lamp being on – are you able to confirm what the hours are for the street lamps in the vicinity?

Thanks

Amy

Subject: RE: EP/3/20/PL - Village Green Sea Rd - NEW LAMPOST - HIGHWAYS

Hi Steve

As per email below, I need to finalise my report by 1pm today so if not received comments by then assume no highways objections or planning conditions to add on this one.

Thanks

Amy

Subject: EP/3/20/PL - Village Green Sea Rd - NEW LAMPOST - HIGHWAYS

Hi Steve,

WSCC Highways were consulted on this but I've not received comments yet.

Its just for a new lamp post on the Village Green in East Preston, but I just wanted to check if you'd suggest any highways conditions or informatives re obstruction of the adjacent footway/ maximum light levels for highway safety or need for licences etc?

I plan to write this one up tomorrow morning as its due next week, when I am on leave.

Could you get comments to me tomorrow morning please?

Many thanks
Amy
