Could you possibly contact the agent in this case and get the application details amended.

Thank you,

Andrew Wood

Mr Wood,
I write on behalf of the Angmering on Sea Estate Residents' Association.

The proposed development is located with the Angmering on Sea Estate. The application is misleading as it refers to the property under consideration as 18 South Strand. Whilst we recognise that this may be administratively correct there are no house numbers displayed in South Strand and all properties display a house name. in this case the correct address for the property s "Mariners".

Furthermore, the block plan notes the road opposite the development as Seaview - in fact it is Westfield Avenue. Both these matters should be rectified as residents, and others, who wish to make comment on the proposal could be misled.

Kind regards,
Steve
