Dear Sirs,

Re: Planning application
First Floor Rear Extension 3 Tamarisk Way, East Preston, BN16 2TF

Thank you for your emailed letter dated 15th May 2026.

We confirm acceptance of the amended description which is 'First Floor Rear Extension'.

We now attach drawings EX/05, Existing First Floor Plan Bedroom1, and PR/05 Proposed First Floor Plan Bedroom 1.

Both drawings are to a scale of 1:50 when printed at A3 size, and are in pdf format.

We believe that considerations for biodiversity regarding the proposed project are not applicable in this project and that therefore a 'Biodiversity Enhancement Statement' is not required.

Yours sincerely,

M G Callender
