Attachments: cil_1 relevant pages.pdf

Good morning

Thank you for your letter, received yesterday.
I can confirm the fee has been paid, and I agree to the revised description.

Attached are the relevant pages of the CIL form. I do not understand why they come out blank at your end, but not every time! (The date on the form was the date it was completed originally)

I hope this will now enable you to register the application.

Kind regards

Ivan Salter
