Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: EP/47/21/HH
Site Address: West House South Strand East Preston BN16 1PN
Description of works: Erection of second floor addition, part single storey side, part two storey front, side and rear extensions and alterations to fenestration/openings

Thank you for your internet representation made on 4th June 2021 which has been recorded as an objection with the comments as follows:

OWPC37100

The proposed alteration to West House is totally out of keeping with the ambience of the area. The height and size of the proposed build would be overbearing and extremely intrusive to surrounding properties, most of which are two storey. South Strand has a unique, open character of differing styles and the suggested build, with its extra height and flat roof would dominate the area and set a precedent for future obtrusive plans.

Your views as made above will be considered before the application is determined.
