Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: EP/47/21/HH
Site Address: West House South Strand East Preston BN16 1PN
Description of works: Erection of second floor addition, part single storey side, part two storey front, side and rear extensions and alterations to fenestration/openings

Thank you for your internet representation made on 10th June 2021 which has been recorded as an objection with the comments as follows:

OWPC37332

I am commenting on behalf of the East Preston and Kingston Preservation Society.

This proposal for a flat roofed, three storey house on the base of a modest two storey house would produce a building that was not only unattractive, but totally out of character with its surroundings. It is just the sort of building that the East Preston Neighbourhood Plan was intended to prevent. It would also contravene the policies of the Arun Local Plan.

The design, materials and height of the proposed building would contravene both policies D DM1 and DM4 of the Arun Local Plan, because they do not reflect the character of the buildings in the surrounding area. The enlarged and heightened house would also overlook its neighbours to the south and west.

The proposal would contravene Policy 1 of the East Preston Neighbourhood Plan, because the scale, massing, height and materials would not reflect the architectural and historic character and scale of the surrounding buildings. It would contravene Policy 2 of the Neighbourhood Plan because its scale, massing and height would harm the street scene and the view from the beach.

The Society trusts that this application will be refused.

Your views as made above will be considered before the application is determined.

Yours sincerely
