Dear Ben,

I thought I recalled that my e-mails had gone into your junk folder before.

I would progress with the additional information ahead of the arborists response. Any comments he makes would be in addition to the information I have requested.

Regards

Anita

Dear Anita,

Sorry, your emails went straight into my junk folder for some reason. I think this may have happened previously as well.

Please hold fire on determining the application, I will obtain the necessary information. However, do you think it may be prudent to wait for the comments from the arb officer in case there is anything else that they raise?

Kind Regards

Dear Ben,

I replied to your e-mail on 18-06-2019 stating the following:

I am awaiting the comments of our arborist regarding tree protection and planting.

However I should advise that the new planting information is not sufficiently detailed. The Proposed Site Layout & Landscaping plan does not refer to plant /pot sizes or numbers and this information will be required to fully discharge the condition. Please confirm if you wish the application to be determined on the basis of the information submitted or if you wish to provide additional clarification at this stage.

Regards

Anita Gardner
