Dear Sir, Ref: Application EP/52/18/PL

As part owner of Gladwyn the street
East Preston BN16 1HT. I would like to
offer my support for the application
and pleased to see the sympathetic
and traditional design for the proposed
new houses at (Scanton) line tree close
East Preston rather than a more
intensive and larger development of
flats which I understand was being
considered by another developer.

The traditional style using flint
walls, clay roof and brick chimney
well the extensive so the new houses
will sit well in their surroundings,
my house being directly adjacent to
the north is the closest to the
proposal and does not affect
my property

So hope this well considered
application will gain approval.

Yours Sincerely
