Dear Mr Shoosmith,

I apologise for the delay in the determination of these applications.

I am intending to prepare my recommendation report for EP/54/17/PL today and as such it is hoped that a decision can be issued in relation to this application by the end of this week. I would be grateful you would provide written confirmation of your agreement to an extension of time for the determination of EP/54/17/PL until the **30th June 2017**.

Again, I apologise for the delay in the determination of these applications. However, should you wish to discuss these matters please do not hesitate to contact me.

Yours Sincerely,
David Easton

Dear David,

I write further to our telephone conversation following receipt of your email of 9th June 2017.

I was expecting receipt of the Lawful Development Certificate with conditions as agreed during the early part of the week commencing 12th June 2017. To date nothing has arrived please could you therefore confirm progress.

Also the target determination date for the planning application for the roller shutter door was yesterday; again please could you confirm progress.

Your immediate response would be appreciated given my assistant Louise Kendall has left at least three unreturned voicemail messages for you requesting a progress report over the last two weeks.

I trust that all is in order and await your reply.

Kind regards,

Peter.
