Project Ref: EP/54/21/HH – 38 The Roystons, East Preston

Please can you amend the project proposal description as per my application form. We are not proposing 'Single storey side and rear extensions and conversion of roof space to habitable use with 2 x rear dormers'

We are amending an approved scheme EP/14/21/HH adding two dormers to the principle elevation (south elevation) to help neighbours' concerns with overlooking.

We previously made a NMA application EP/40/21/NMA as we were simply adding two dormers to the roof space and not altering the form or size of the building but were informed by Arun that this was the incorrect application form and to resubmit under a House Holder application. Please see email correspondence from Mr Alan Clarke and Neil Crowther.

Many Thanks

Kind Regards

Oliver
