Hi Kathryn and Peter,
Yes, the windows and the roof lights will be both obscured and fixed if opening below 1.7 floor level. The window at the rear gable, overlooking my back garden, will be opening and not obscured as I understand that this is ok?
Yes, there should be 3 windows to the side dormer, all along the side...two for the main room and one for the bathroom. It is the bathroom one that is missing.
Hopefully, this clarifies it. I should be at home this afternoon if you need to call me .. [REDACTED]
Thanks, Sarah

Dear Peter and Sarah,

This may appear pedantic but I'm not allowed to make assumptions, could either of you confirm that the windows and roof lights will also be fixed shut below 1.7m above FFL? I can see they're to be obscure glazed.

Additionally, could you confirm that there are to be three windows to the dormer, I note that the elevations only show two.

Many thanks,

Kathryn Welch
