Dear Sir/Madam,

I thought I would write this letter to you to accompany the application for planning permission on the land at 20 Eastern Close, East Preston.

The main reason we are seeking planning permission for a new dwelling is to provide a home for my daughter and her family, a suitable home in this area is becoming increasingly hard to obtain and they need to remain in the area as my eldest Granddaughter attends East Preston Infant School, my other Granddaughter attends the local Nursery and will be going to the same school next year.

The house is not being built for financial gain, purely to create a home for them to live in the local area and provide an affordable house for them which they would otherwise not be able to achieve in the current housing market.

I hope this gives you a bit of background as to why I feel strongly about this application. Thank you for taking the time to read this.

Yours faithfully

Angela Parry
