Good morning Charlotte,

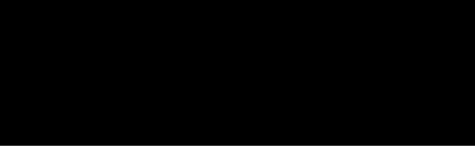

With reference to planning application to replace a shed with a summerhouse, I am acting on behalf of Mrs Leggett assisting in getting the required drawings for you.

Please find the attached location plan (with boundary highlighted in Red and two named roads as requested, the Scaled block plan (1:100 at A4, 1:500 was requested but I think this one is more detailed for you) and the elevation/floor plan dimensions.

Please let me know if these are acceptable or if I can help in any further way.

Yours sincerely

Steve White
