Subject: Re: Application EP/60/19/HH

Hi Finlay,

The proposed materials to the dormer is a grey Marley Cedral fibre cement cladding board.

As a side note to the extension the client proposes to use grey aluminium bi-fold doors.

Regards,

Mark

Dear Mr Burchett,

I am emailing to check the materials used on the dormer for application EP60/19/HH (90 North Lane, East Preston). On the plans it does express the walls will match existing and I just need to double check before I can get it signed off to be approved conditionally.

Kind regards

Finlay Gardner
