

Dear Neighbour,

We are writing to ask for your support to our proposed new summer offering here at Ristorante Al Mare.

As you know we are small family run business with a loyal local customer base. Our plan is to offer additional 'Al Fresco' dining during the summer months.

In order to do this we are applying to the council to extend our existing licence so we can utilise what is currently the parking bay at the back of the restaurant and redesign into a dining area. Our existing license covers us for the food and drink service but the extension is to allow us to provide the seating area.

Please do pop round, have a coffee and we can tell you more about our plans or feel free to ask us any questions.

We thank you in advance for your support and would kindly ask you to complete and return the bottom part of this letter for us to attach to our application.

Many thanks and best,

Roberto Aru, Owner.
