POLICY COMMENTARY

The Development Plan consists of the Arun District Local Plan 2003, West Sussex County Council's Waste and Minerals Plans and Made Neighbourhood Development Plans.

A new local plan is in preparation and is a material consideration when determining Planning Applications. At this stage the Arun District Local Plan 2011-2031 (Publication Version) October 2014 and supporting documents were submitted for independent examination on 30 January 2015.

A number of Main Modifications to the Arun District Local Plan 2011-2031 (Publication Version) October 2014 were approved by the Council on 22nd March 2017 and consultation on these has taking place. The Main Modifications should be read alongside the Arun District Local Plan 2011-2031 (Publication Version) October 2014 and where there are changes the Main Modification. The examination was completed in September 2017.

The policies are published under Regulations 19 and 35 of the Town and Country Planning (Local Planning) (England) Regulations 2012.

The Neighbourhood Development Plan

Where applicable, Neighbourhood Development Plan's (more commonly known as a neighbourhood plan

or NDP), once made by Arun District Council, will form part of the statutory local development plan for the relevant designated neighbourhood area. Whilst an NDP is under preparation it will afford little weight in the determination of planning applications. Its status will however gain more weight as a material consideration the closer it is towards it being made. Arun District Council will make reference to an NDP when it has, by the close of planning application consultation, been publicised for pre-submission consultation (Reg.14).

Made Plans in Arun District Council's Local Planning Authority Area are: Aldingbourne; Angmering; Arundel; Barnham & Eastergate; Bersted; Bognor Regis; Clymping; East Preston; Felpham; Ferring; Kingston; Littlehampton; Rustington; Walberton; Yapton.

Arun District Council will make reference to an NDP when it has, by the close of planning application consultation, been publicised for pre-submission consultation(Reg.14).

East Preston has a 'made' neighbourhood development plan, of which Policy 1 and 5 are considered to be relevant to this development.

DEVELOPMENT PLAN AND/OR LEGISLATIVE BACKGROUND

Section 38(6) of the Planning and Compulsory Purchase Act 2004 states:-

"If regard is to be had to the development plan for the purpose of any determination to be made under the planning Acts the determination must be made in accordance with the plan unless material considerations indicate otherwise."

The proposal is considered to comply with relevant Development Plan policies in that it would have no materially adverse effect on the visual amenities of the locality or the residential amenities of the adjoining properties, nor would it have an adverse impact upon the established character of the surrounding area.

OTHER MATERIAL CONSIDERATIONS

It is considered that there are no other material considerations to warrant a decision otherwise than in accordance with the Development Plan and/or legislative background.

CONCLUSIONS

PRINCIPLE

The application site is located within the built up area boundary, where the principle of development is acceptable subject to accordance with the relevant development plan policies, as stated in GEN2 of the Arun District Council Local Plan. In this case, the key policies are deemed to be GEN7 and DEV19 of the Arun District Council Local Plan and Policy 1 and 5 of the East Preston Neighbourhood Development Plan.

DESIGN AND VISUAL AMENITY

By virtue of its location and intervening fencing, the proposed extension is not visible from the street scene and therefore does not give rise to any unacceptably adverse impact on the character of the locality of the established spatial pattern of the area.

The proposal is of a modest design and is deemed to be in keeping with the established character of the area. The proposed extension is deemed to remain visually subservient to the host dwelling, nor is it

deemed to harm its established character. This is as a result of its low ridge height, being 3.9m lower than that of the host dwelling.

The proposal is therefore deemed to be in accordance with policy GEN7(ii) of the Arun District Council Local Plan and Policy 1 of the East Preston Neighbourhood Development Plan. It is also considered that the proposal has no conflict with Policy 5 of the East Preston Neighbourhood Plan.

NEIGHBOURING RESIDENTIAL AMENITY

The proposals highest point sits 3.9m lower than the ridge height of the host dwelling, and therefore is not deemed to give rise to any significant adverse impact on neighbouring residential amenity. There is not deemed to be a significant loss of privacy as the view from the windows is impeded by the fencing that lies between the two properties. Additionally, the views from the extension are ground floor and therefore, would be no different from those available from the garden itself if there were no fencing. Due to the siting of the proposal (being between two existing rear projections) there is not considered to be any overshadowing or loss of light to adjacent dwelling.

Resultantly, the proposal is deemed to accord with policies GEN7(iv) and DEV(iii) of Arun District Council Local Plan.

SUMMARY

The proposed development is deemed to accord with relevant development plan policies and as such is recommended for approval subject to the following conditions.

HUMAN RIGHTS ACT

The Council in making a decision should be aware of and take into account any implications that may arise from the Human Rights Act 1998. Under the Act, it is unlawful for a public authority such as Arun District Council to act in a manner, which is incompatible with the European Convention on Human Rights.

Consideration has been specifically given to Article 8 (right to respect private and family life) and Article 1 of the First Protocol (protection of property). It is not considered that the recommendation for approval of the grant of permission in this case interferes unreasonably with any local residents' right to respect for their private and family life and home, except insofar as it is necessary to protect the rights and freedoms of others (in this case, the rights of the applicant). The Council is also permitted to control the use of property in accordance with the general interest and the recommendation for approval is considered to be a proportionate response to the submitted application based on the considerations set out in this report.

DUTY UNDER THE EQUALITIES ACT 2010

In assessing this proposal the following impacts have been identified upon those people with the following protected characteristics (age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation).

The proposal would have a neutral impact on the protected characteristics.

RECOMMENDATION

APPROVE CONDITIONALLY

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the

date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby approved shall be carried out in accordance with the following approved plan:

- EXTENSION - CL01 - Rev. A - MAR 2018

Reason: For the avoidance of doubt and in the interests of amenity and the environment in accordance with policy GEN7 of the Arun District Local Plan.

- 3 The materials and finishes of the external walls of the development hereby permitted shall match in colour and texture those of the existing dwelling.

Reason: In the interests of amenity in accordance with policies GEN7 and DEV19 of the Arun District Local Plan.

- 4 INFORMATIVE: Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure)(England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.
