Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: EP/67/20/PL
Site Address: Land adjacent to 45 The Ridings East Preston BN16 2TW
Description of works: 1 No. detached house & formation of associated new access.

Thank you for your internet representation made on 19th June 2020 which has been recorded as an objection with the comments as follows:

OWPC27902

We object to this application and concur with all the objections raised. This will in effect be a 6 bedroom house on 3 levels which together with the adjoining property makes 12 bedrooms in total - where are all the cars going to be parked?

It is obvious that the lorries etc will use the traffic island to the south of the development as a turning circle which is totally unacceptable. At best this small road can accommodate 2 small cars passing without having to drive over the grassed area and having lorries drive over private open plan gardens is again totally unacceptable.

Your views as made above will be considered before the application is determined.

representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely
