Subject: RE: EP/68/21/HH Updated Drawings

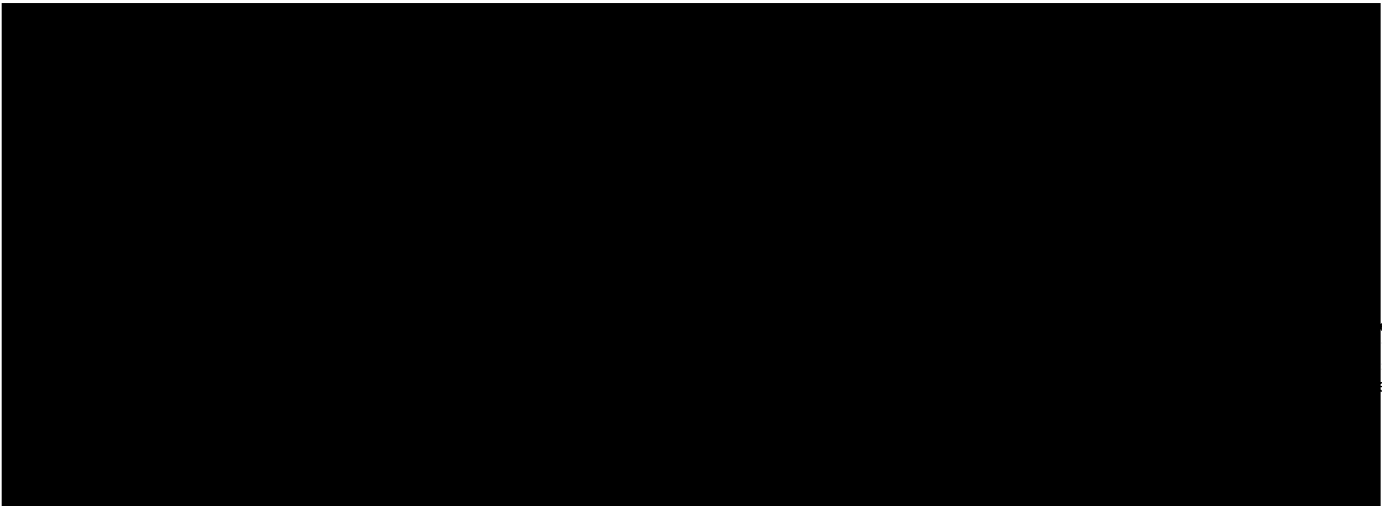

CAUTION: This email originated from outside of the organisation. You should take extra care when clicking links or opening attachments - if you are unsure the content is safe contact the IT Helpdesk before clicking or opening.

Dear Sir/ Madam,

I have been instructed by my client Mr Dommett to submit revised drawings to supersede those previously submitted to Arun District Council in respect of planning application RE: EP/68/21/HH. Please could update these on your system and acknowledge receipt of the attached documents. If you have any queries or wish to discuss the attachments, please feel free to contact me.

For information, the amendments to the drawings indicate minor changes to the proposed landscape of the proposal, as well as a more accurate reflection of the hedgerows present on-site and additional dimensions to assist the planning officer in determining the matter.
