Dear Sarah and Anita,

Environmental Health have no objections to this. As Sarah said, these Saturday timings are consistent with timings we would stipulate in conditions anyway.

Dear Anita

Further to discussions with Tracey and yourself I have today submitted a new condition discharge application to amend the CMP to include Saturday working 08.00 – 13.00, as is standard within the District. The omission was an oversight on my part as it is standard practice to work on Saturdays. New submission attached fyi. Fiona, I am copying this to you directly as well as we have previously discussed the contents of this.

The current CMP allows working outside of the agreed hours with permission. As this is the standard working practice and would normally be included within a condition [which was omitted due to the appeal decision departing from standard Arun conditions] I would be grateful if you could agree to the following Saturday working prior to formal discharge.

I hereby formally request permission to work 08.00 to 13.00 on Saturday 5th May 2018 and Saturday 12th May 2018.

I look forward to hearing from you,

For and On behalf of Rocco Homes

Sarah Hufford
