Dear Harry Chalk,

Application Ref PP-10568414v1

I am writing to confirm that I wish to withdraw my planning application, dated 22 January 2022, for permitted development at 11 Somerset Road, East Preston, Littlehampton, BN16 1BZ. The application was for a hard standing area in the back garden in order to place a mobile home. Due to problems with connecting to drainage I am no longer able to go ahead with this project.

Yours sincerely,

Sarah Ackerman

Hello Sarah,

Thank you for letting me know. Could I therefore request you reply with explicit written confirmation you wish to withdraw the application? If so, I will get that sorted for you.

Kind regards,

Harry

Hello Harry,

I have recently done more research with regards to the mobile home and due to the distance from the main drains we are unable to have bathroom and kitchen facilities.

Therefore, unfortunately, we will not be able to go ahead with the proposals and no longer need to proceed with this application.

Thank you for your help to date.

Sarah

Hello again Sarah,

I've touched on your application with my supervisor and he has asked me to request a more accurate/ specific block plan. Sorry to have to ask this of you again but the exact location of the proposal will be a large factor in judging its compliance with permitted development. Could I request a block plan that shows the specific location of the hardstanding with measurements annotated that show its separation distance from the site boundaries?

Could I request this be submitted before **11/03/22**, so as to not incur any delays.

Kind regards,

Harry

Hello Harry,

Please find attached the plan with the area where the hardstanding and cabin will be situated. I did think that this was included in the application, stating that it would be at the end of the garden, facing towards the house.

I hope that this will be sufficient.

Regards

Sarah

Hello Ms Ackerman,

I have just reviewed the plans submitted alongside your application and I am uncertain as to where abouts the proposal is to be situated. The description refers to the location of the hardstanding to be at the rear of the property however, the orientation and or specific whereabouts at the rear are uncertain. Could I request that the precise location and orientation of the hardstanding be added to the location/block plans and submitted to me? Many thanks.

Regards,

Harry
