Dear Peter & Anne Carol,
Re EP 70/12 Sandown House.

I'm writing to say that, I'm
writing to object to the
large extension of the above
above house. What worries
me more is than anything,
is the access from South
Strand alongs Private
drive way.

Please take into account
that this large extension
will take about 6 months
to build. 6 months of
misery for all the people

in South Strand's surrounding
houses, not least the danger
to young children - keeping
their parents constantly on
guard! Can you imagine
the amount of traffic
which will be coming & going,
not including the amount
of dirt & noise.

I'm sure the people in
the opposite Nursing Home
~~what~~ won't be too happy.
Please consider my
letter, ^{or} it will be absolute
misery for everyone around
here.

With best regards

LEANA DONALDSON
