Please ask for:
Mr P Cleveland

4th September 2012

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2010 (as amended)

Alterations & first floor extension, providing a reduced garden room on the ground floor, together with conversion of garage to a gym & 2 new bedrooms, study & bathroom to first floor. Removal of existing pitched roof & replace with lower mono pitched roof
Sandgate House South Strand East Preston Littlehampton

Thank you for your internet representation made on 4th September 2012 which has been recorded as **an objection** with the comments as follows:

We continue to reject this application, despite the submission of substitution drawings, as per our previous comments of the 24th July and 9th August. □

In summary, the proposed first floor extension in its scale, mass and appearance is overbearing. It does not harmonise with other buildings around it and it will have a detrimental effect on the wider locality, namely from the gardens to the west as well as the complete beach front scene. The Council has turned down previous applications for first floor extensions in this area on bungalows as well as on proposed roof extensions that have been far less significant than this. The Council should maintain a consistent approach.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and may publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no
