Dear Mr Bolton,

**Town & Country Planning Act 1990 (as amended)**  
**Town & Country Planning (Development Management Procedure) (England) Order 2015**

**Application for Planning Permission for Works or Extension to a Dwelling**

**Development:** Conversion of the existing garage to an annex with minor external alterations to include installation of a window to the rear elevation to the garage facing the house, replacing the garage up and over doors with grey composite cladding accommodating two windows and the entrance door.

**Location:** 7 Meadow Park East Preston BN16 1EG

Thank you for your recent application which I received on 3rd September 2025. It is being validated by Ms Iqraa Malik who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a valid application until the following item(s) have been received or resolved :-

#### Elevations

The front and rear elevations have been incorrectly labelled as side and the side elevations have been labelled as front and rear, please review and amend.

Please note, the front elevation is the elevation facing the highway. Further details can be found in the Validation Requirements List.

#### CIL Additional Information Form

As you have answered 'No' to question 2a. on the CIL form, you are required to then answer question 3 and continue on from there, please review and amend. The form and further information about CIL can be found on the website: [www.arun.gov.uk/cil](http://www.arun.gov.uk/cil)

#### Biodiversity Enhancement Statement

Please submit a Biodiversity Enhancement Statement. This is a local validation requirement completely separate to the Biodiversity Net Gain requirements and as a minimum, it should state how the application seeks to protect and improve the existing on-site natural environment. Please refer to the validation requirements list for further information.

For further detailed information on validation requirements please go to our website and refer to the requirements list for this type of application: <https://www.arun.gov.uk/making-a-planning-application>  
If you are unable to access the website, please contact this office so a copy can be sent to you.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

If providing additional documents or information, please email it to: [planning.responses@arun.gov.uk](mailto:planning.responses@arun.gov.uk) with a covering email clearly explaining what is being provided. Do not resubmit it via the planning portal as we receive all the original information plus any amended information and it is not clear what has changed. Please provide the above by **18th September 2025** or your application will be closed as incomplete and where a fee has been paid, I will retain £40.00 (or the entire fee, if less than £40.00) to cover the cost of administering the return. If you have difficulty meeting this deadline please contact the above officer to agree an extension to this time scale. Once the application has been closed, you will need to submit a fresh application if you still want to proceed.

Yours sincerely

**Neil Crowther**  
**Group Head of Planning**
