Housing - General Principles

East Preston Neighbourhood Plan 2014 Policy 3

Design in Character Area Two

PLANNING POLICY GUIDANCE:

NPPF	National Planning Policy Framework
NPPG	National Planning Practice Guidance

CONCLUSIONS**PRINCIPLE**

In this case, the key policies are deemed to be D DM1 and D DM4 of the Arun Local Plan. Additionally, Policies 1 and 3 of the East Preston Neighbourhood Development Plan.

Policy D DM1 sets out 13 design aspects of which applications should be assessed against. These include: Character, Appearance, Impact, Innovation, Adaptability, Crime Prevention, Trees, Public realm, Layout, Public Art, Density and Scale.

Policy D DM4 sets out criteria for which applications relating to extensions and alterations of existing buildings must be assessed against. They generally seek to minimise the impact of the proposal on the character of the host dwelling, its neighbours and the locality.

Policy 1 of the East Preston Neighbourhood Development Plan sets out general principles for development within the Parish. Part (i) relates to the scale, density, massing, height, landscape design, layout and materials of development proposals, and how proposals must reflect and enhance the established character of the area.

Policy 3 of the East Preston Neighbourhood Development Plan sets out criteria for the design of proposals within Character Area Two. These are to ensure that a consistent low building height is protected, with no more than 1.5 storeys. Additionally, it ensures that where new rooms are to be created in a roof space, the height, or basic form of the roof will not be altered.

The development is similar to one already approved EP/31/20/HH with the only difference being that the extension projects to the rear 4.2 metres instead of 3 metres.

DESIGN AND VISUAL AMENITY

Due to its form and siting, there will be few available views of the proposed development from the public realm. The proposed pitched roof extension is considered to be a well integrated addition to the host dwelling, as a result of the proposed materials and roof slope angle of this extension. The proposed extension to the rear of the garage is considered to appear subservient to the host dwelling, as it matches the existing form of the garage current on the site.

The application is considered to be in accordance with D DM1, D DM4(a) and (b) of the Arun Local Plan.

NEIGHBOURING RESIDENTIAL AMENITY

The proposed development is not considered to result in any significantly harmful overshadowing or overbearing impact upon the occupiers of neighbouring dwellings, due to the modest form of the proposed development. The highest element of the proposal is approximately 4m from the Northern boundary of the application site, whilst it is noted that there may be some impact on the area directly adjacent to the site boundary, it is not considered to be so significant as to prescribe refusal of the application. The proposed garage extension is not considered to result in a loss of privacy to occupiers of neighbouring dwellings, due to its single storey nature. The proposed Velux windows in the pitched roof element of the proposed development are not considered to result in a loss of privacy, as they are at a high level.

The application is considered to be in accordance with D DM1(3) and D DM4(c) of the Arun Local Plan.

SUMMARY

The proposed development is deemed to accord with relevant development plan policies and as such is recommended for approval subject to the following conditions.

HUMAN RIGHTS ACT

The Council in making a decision should be aware of and take into account any implications that may arise from the Human Rights Act 1998. Under the Act, it is unlawful for a public authority such as Arun District Council to act in a manner, which is incompatible with the European Convention on Human Rights.

Consideration has been specifically given to Article 8 (right to respect private and family life) and Article 1 of the First Protocol (protection of property). It is not considered that the recommendation for approval of the grant of permission in this case interferes unreasonably with any local residents' right to respect for their private and family life and home, except insofar as it is necessary to protect the rights and freedoms of others (in this case, the rights of the applicant). The Council is also permitted to control the use of property in accordance with the general interest and the recommendation for approval is considered to be a proportionate response to the submitted application based on the considerations set out in this report.

DUTY UNDER THE EQUALITIES ACT 2010

Duty under the Equalities Act 2010

In assessing this proposal the following impacts have been identified upon those people with the following protected characteristics (age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation).

The proposal would have a neutral impact on the protected characteristics.

RECOMMENDATION

APPROVE CONDITIONALLY

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990 (as amended).
- 2 The development hereby approved shall be carried out in accordance with the following approved plans:

Proposed details dwg.no. 2020/32 dated March 2020.

Reason: For the avoidance of doubt and in the interests of amenity and the environment in accordance with policy D DM1 of the Arun Local Plan.
- 3 The materials and finishes of the external walls and roof of the extension hereby permitted shall match in colour and texture those of the existing building.

Reason: In the interests of amenity in accordance with policies D DM1 of the Arun Local Plan.

- 4 INFORMATIVE: Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure)(England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.
