Dear Rhiannon

Re: EP/79/26/PL – Salt Beach Kiosk, Sea Road, East Preston, BN16 1PD

This council's Planning & Licensing Committee reconsidered this application at its meeting on Monday, 28th September.

The committee, and therefore the council, remains supportive of this application but whilst some questions remain outstanding, the committee feels unable to submit a No Objection response to this application. For that reason, the committee has asked me to request an extension to the closing date for comments.

Some more information on the following would help the council decide its response:

Please could some indication be given as to an cleaning and emptying schedule for the toilets and from where they will be accessed for emptying.

Could further consideration be given to one of the toilets being an accessible toilet?

Could Environmental Health be asked to comment upon this application?

Will the venue allow the toilets to be used by non-customers?

Will the portable sauna immediately to the east of the proposed toilets be moved further east?

Yours sincerely,

Simon Cross – Clerk to the Council
