Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: EP/79/26/PL
Site Address: Salt Beach Kiosk Sea Road East Preston BN16 1PD
Description of works: Portable toilets with decking and a 2.65m high timber screen fence to match the existing. In CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 22nd September 2026 which has been recorded as support with the comments as follows:

OWPC87305

The Salt cafe is a wonderful addition to our beautiful East Preston beach. With the addition of the fantastic beach access for the less able, wheelchair users and prams etc the only thing desperately needed was toilet facilities.

It is the most basic of human needs and the installation of customer toilets will enhance and attract so many visitors that have had to avoid visiting Salt because they cannot be too far from a toilet - this includes ALL ages and abilities.

I sincerely hope planning gives this application the consideration it deserves and votes in favour of the installation of these much needed conveniences.

Thank You for reading my comments of support.
