Dear Anita, thank you allowing us to access your file on Thursday 22nd at the Council's Offices regarding this "revised" application to develop the land adjacent to our home. We find the plans are a little difficult to view online but we have managed to print and enlarge some of the preliminary detail over which we have initial queries prior to lodging our objections. Would you please be kind enough to seek clarification as to what the lines on the attached drawing represent. I have noted them in red for your convenience. I have also requested a copy of the 'Proper' drawing from your Nicola Spencer but I note that as yet we

have not received a reply. Many thanks and kind regards,
Laurence & Doreen Pilfold.

Good morning Nicola, I called in to see Anita's file regarding the above application as the online versions are not clear enough for our legal representatives .They have kindly given us your contact details to ask for a copy of the drawings ..reference 2.10 and 2.11. Would it be possible to collect these from the General Enquiries desk at some time ?
Kindest regards Laurence Pilfold .
