Sian

Further to your letter regarding the above application I would comment as follows:

i) In accordance with the national requirements we have to show our boundary upto the nearest highway and then issue a notice on all other owners which we can do via the chairman of the residents association which is what we have done. Not really sure what you want me to confirm as yes my client in theory has small percentage of ownership to the private road as they are part of the residents association.

2) Please find enclosed the attached block plan showing the distance to the nearest boundary as requested.

If you require any further information please let me know.

Thanks
Matt
