Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: EP/7/21/HH
Site Address: Little Dormers 23 Upper Drive East Preston BN16 1QN
Description of works: New bay/porch skirt roof to front elevation & single storey front extension to provide additional garaging.

Thank you for your internet representation made on 4th March 2021 which has been recorded as an objection with the comments as follows:

OWPC34273

I am commenting on behalf of the East Preston and Kingston Preservation Society.

This proposal to build a substantial extension on the front of a house, and add a skirt roof along its facade, would create an extension which could not sympathetically relate to and be visually integrated with, or subservient to, the main structure of the house. Its position, in front of the main structure, and on its street face, would make it the dominant feature of the appearance of the house from the road. Little Dormers is an attractive example of a 1920s Arts and Crafts style of house, with a half timbered facade, and the extension would destroy the symmetry that the house now possesses. The proposed extension would therefore contravene Policy D DM4 of the Arun Local Plan.

The extension would also be built across the window of one living room of the house. Paragraph 13.4.3 of the Local Plan states that extensions should be designed to ensure adequate natural light within the building. This proposal fails to meet this condition.

For the above reasons, this application should be refused.

Chairman
East Preston and Kingston Preservation Society
