BIN AND COLLECTION STATEMENT

SITE AT 60/62 SEA LANE, EAST PRESTON.

The proposed development will result in the creation of 4 semi-detached houses, each set within a spacious private residential plot.

There will be plentiful space within each of the proposed plots to store refuse containers in a manner that is both accessible and compatible with the visual amenities of the area.

The bins will be placed adjacent to the highway for collection by the residents of the individual properties on the allotted collection day.
