Application for Planning Permission

Development Demolish 1 house and construct 4 new dwellings (2 pairs of semi-detached houses)

Location 60 & 62 Sea Lane East Preston

Thank you for your recent application which I received on 7th May 2014. It is being validated by Miss C Burrows who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a formal application until the following item(s) have been received or resolved :-

Block Plan

Please submit 1 electronic or 3 paper copies of a revised block/site plan at a scale of 1:500 or 1:200 to include the site dimensions from the site boundaries to the dwellings. Further details of what must be included on the plan can be found in the National Validation Requirements.

Affordable Housing Legal Agreement and Fee

As your proposal is for the creation of between 1-6 housing units you are required to provide a signed unilateral undertaking legal agreement as part of your planning application submission together with the appropriate legal fee. This is a Local Validation Requirement and the purpose of this agreement is to secure the required affordable housing financial contribution.

Full details of the affordable housing policy and in particular the requirements relating to schemes of 1-6 housing units can be found in the Local Validation Requirements and also on the Council's website at the following link:

http://www.arun.gov.uk/main.cfm?type=AFFORDABLEHOUSINGP

Local Validation Checklist

Please provide the Local Validation Requirements Checklist in order to comply with the local validation requirements. No further validation will take place until this is received.

Biodiversity Checklist

Please provide the Biodiversity Checklist so that so that the ecological impacts of proposals can be assessed. Both the checklist and the guidance notes are available on the Council's website and further information can be found in the Local Validation Requirements. No further validation will take place until this is received.

Bin Storage and Collection Provision

This application requires the provision of bin storage/collection facilities. Please provide details in the format as set out in the Local Validation Requirements so that Environmental Services are able to assess whether the proposal is acceptable.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

For further detailed information on both the National and Local Validation Requirements please go to our website: http://www.arun.gov.uk/main.cfm?type=HELPWITHMAKINGAPLA. If you are unable to access the website, please contact this office so a copy can be sent to you.

Please provide the above by **22nd July 2014**.or your application will be returned to you as incomplete and you will have to resubmit if you wish to proceed with the development. If you have difficulty meeting this deadline please contact the above officer to discuss the matter.

Yours sincerely
