27. Pre-application Advice

Date (Must be pre-application submission)	17/02/2020

Details of the pre-application advice received

It is considered that the intention to refurbish the garages and remodel part of their interior is considered acceptable in principle, subject to the issues of detail raised above, and the careful use of materials. Likewise, the intention to undertake landscaping works to the grounds would appear to generally reflect the character of the building and the original intentions of the architect. Some potential harm to the significance of the heritage asset has been identified, in the form of the replacement of the original garage door, the new glazed screens exposing the interior of the games room to the street elevation, the proposed 2 new rooflight structures to the garage building and the removal of the middle steps with the rear garden. This is considered to be 'less than substantial harm', however as per paragraph 193 of the NPPF, great weight is to be given to the asset's conservation. Any harm would need clear and convincing justification, in accordance with paragraph 194 of the NPPF. In addition, LPAs are required, as per paragraph 192 of the NPPF, to take account of other factors. In this particular case, other factors include the continued viable use of the listed building as a residence/holiday home and the positive contribution made by the conservation of this heritage asset to the economic vitality of the community e.g. the tourism industry. It is concluded that the plans submitted provide sufficient information at this stage to identify that the proposal would, subject to details, and on balance, not harm the significance of the building to such an extent as to warrant a refusal on heritage grounds. Any potential 'less than substantial' harm has and would be weighed against the public benefits in terms of securing the optimal use of the building and appears to be acceptable in this case and complies with paragraph 196 of the NPPF.

28. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

☒ Yes ☐ No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

29. Ownership Certificates and Agricultural Land Declaration

* 'owner' is a person with a freehold interest or leasehold interest with at least 7 years left to run. ** 'agricultural holding' has the meaning given by reference to the definition of 'agricultural tenant' in section 65(8) of the Act.
