26th September 2019

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Erection of a fence
31 Cheviot Close East Preston

Thank you for your internet comments made on 26th September 2019 which has been recorded as **'an objection'** with the comments as follows:

This council's Planning & Licensing Committee considered this Application at its meeting on Monday, 23rd September.

Although the committee understood the applicants' desire to improve the boundary of their property, it had some concerns, hence this objection.

The property is on a prominent corner site between Cheviot Close and Cotswold Way. The committee felt the proposed expanse of overlap fencing was too high to be unbroken by either some degree of soft landscaping or possibly a lower height of overlap fencing topped with a trellis through which some soft landscaping could be trained. If either of these suggestions were to be considered, the committee would happily reconsider its objections.

Simon Cross - Clerk to the Council

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you

only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
