Afternoon Harry,

I trust this message finds you well.

By way of introduction, I will be your main point of contact for the Planning Application at 123 Sea Road.

I have noted that the Covering Letter currently uploaded on the portal is incorrect. Please could you replace it with the attached document, which should supersede the previous version.

In the meantime, if you have any queries regarding the proposals, please do not hesitate to contact me via email. I will be back in touch once the consultation period has concluded.

Have a fab weekend.

Kind regards,
Saskia
