7 July 2009

Dear Miss Strong

Churchfield, Station Road, East Preston (Application ref: EP/90//09)
Full Planning Application: Demolition of existing buildings & Residential redevelopment to provide 14no. Houses & Apartments, with associated parking & open space.

I attach copies of the Landscape Strategy & Tree retention / protection drawings. For inclusion within the Application.

The Landscape drawings, which were included at Application submission, were in fact the incorrect drawings. In collating the Application for submission, we inadvertently, included the wrong drawings and in checking our files this morning this error was highlighted.

I would apologize for any inconvenience caused and please do contact me should you require to discuss this matter further.

Yours sincerely

STA Associates
