Dear Mr Keyse,

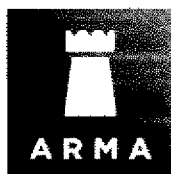

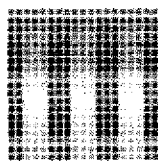

I write to you in your capacity as the current owner of the above property.

As you probably know, the board of the Willowhayne Residents' Association is making every effort to ensure the safety of residents, who have the right to walk along the verges of the estate. Pedestrian passage over your verge is obstructed by a large bough of a pine tree which extends at a low level across the verge and into the road. The board is concerned that this bough could impede access to the verge by pedestrians close to a potentially dangerous bend in the road and could also represent a hazard for passing vehicles, cyclists and other road users. The board would be grateful if you would kindly arrange for this bough to be removed.

Regards
