Good morning Sian,

Please find attached revised block plan with dimensions to the boundary.

I also attach a Flood Statement in response to the work we are proposing to carry out here. The work proposed is not within the flood zone, only the bottom corner of the garden (South East) is. This same approach was accepted for the previous Planning Application EP/186/18/HH, which was submitted the beginning of 2019 on behalf of a different Applicant. I do hope this approach is still acceptable here.

Kind regards
