Dear Miss Topin,

Thank you for the consent.

Condition 3 states "The materials and finishes of the external walls and roof of the building hereby permitted shall match in colour and texture those of the existing building". The existing walls are rendered and decorated and the applicant would like the extension walls to be built in face brickwork (LBC Claydon Multi-Red London brick) as stated on drawing no. SBS/697/19C.

Can you confirm Condition 3 does not apply to the external walls of the extension and these can be built with face brickwork in accordance with the approved drawings?

Many thanks.

Kind regards,

Andrew Knowles
